February 24-ICF Day - No School
February 24-Fish & Tenderloin Dinner 4 - 7 pm

February 26-Coffee & Donut Sunday 8:30 - 10:00 am

Character Counts: February: Trustworthiness: "If you add to the truth, you subtract from it."

— *The Talmud*

I am truly amazed - at the generosity of our students as they look out for those around them. We have recently given out several "Spirit of St. Louis" awards. Students who receive this award were caught by someone who observed them demonstrating great character! These students go above and beyond what is expected and take initiative to act without being prompted. Some of our most recent honorees are Gus Wyss, Evan Whitman, Evan Platter and Ian Matter. Character does Count and at St. Louis Academy we take pride in our students who ALL strive to be Christ-like and demonstrate good character.

Spring Break- With the completion of this week, we are half-way there! Continue to encourage your child to do their personal best on school work. March will be here soon as will our state testing. Continue to foster healthy habits like frequent hand washing, healthy eating and sleeping habits and find ways to stay active during these cold months. Check out the new ice skating rink at Canlan Ice center. The Burger King Books have a coupon for free skating and skate rental. On the weekend that coupon is worth \$10!

Private School Tuition Tax Benefit- If you go to the Choice Scholarship page at: <http://www.doe.in.gov/improvement/school-choice/choice-scholarships> and scroll down to the bottom of the page, there are two links. One lays out the policy (<http://www.doe.in.gov/sites/default/files/school-choice/deduction-privatehomeschool.pdf>) and the other one is a copy of the form you need (<http://www.doe.in.gov/sites/default/files/school-choice/deduction-form.pdf>). You will also need to know that the IDOE number for St. Louis Academy is A360.

Pennies for Patients- Continues one more week, we are getting close to our goal!

Burger King booklet sales- Are going great! Money generated from the sale of our books will be put toward our technology fund. That could mean more software and computer access for all students! We still have openings after the weekend Masses to sell your books. Please call Vickie Lortie @ 447-9721 to schedule a spot. Remember, we need **everyone's** help to sell all of our books.

Attention all **new school choice voucher** students! The St. Louis Academy lottery date is Wednesday March 7. State law mandates that we publish a lottery date for new students with school choice vouchers who want to attend St. Louis Academy. If, on March 7, the number of new school choice students does not exceed our empty seats, then the lottery will be cancelled. From that day on, school choice students will be admitted on a first come basis.

Computer Help....Mr. Yee could use some assistance loading software on to some of the donated computers. He is only here 12 hours a week and these things take time. If you have time to help, please email him or call the office. We are also in need of a label maker. Thank you for considering giving of your time, talent and treasure!

SCRIP NEWS - Billy's in downtown Zulu is under new management, and we have gift cards back in the box! Get your Scrip and check it out. **We still have** extra inventory from Christmas for Gordman's, I-tunes, Best Buy and Marshalls. **Double the benefit** - use Scrip with your **Burger King books**.
